

# Valentine's Day in K-1

Kindergarteners and First graders will celebrate Valentine's Day on **Thursday February 14, 2013** in the afternoon before going home for the day. The students are invited to bring Valentine cards to exchange with their classmates. A list of names has been provided on the back of this letter. If students wish to bring Valentine cards they must make sure they bring a card for everyone in the class. Students have also been asked to refrain from giving "extra" Valentines or candy to certain "favorite" people. This keeps people from feeling left out. Cards do not need to come to school until Tuesday morning. We will also decorate sugar cookies. If you would like to bring some sugar cookies, frosting, cookie decorations or napkins please sign up below and an send the sheet back to school with your child.

Sincerely,

Mrs. Vradenburg
